CYBORG trimmer

Power and precision in a full metal body

Feel the power of the future flowing through your hands. Reach new heights, go beyond your limits, let passion lead you.

Cyborg is a professional trimmer inspired by future. Its metal body calls to mind images of cutting-edge technology. Its captivating & futuristic design is characterized by an ergonomic grip. Barbers can hold Cyborg trimmer firmly and comfortably.

We paid attention to every little details like its sinuous figure perfectly adapting to the barber hand and its modern led illumination.

Cyborg trimmer combines robustness and style to offer a unparalleled experience.
