SHORTY Professional compact clipper with EON long-life digital brushless motor

EON LONG-LIFE DIGITAL BRUSHLESS MOTOR:
Efficient | Optimized | Noise-reduced.

It is called Shorty and it is an icon of innovation and power packed into an ultra-compact body! Designed to provide a unique cutting experience thanks to its unmistakable design and its state-of-the-art EON digital motor, this new clipper is the perfect combination of form and function.

Close your eyes and let yourself be carried away by Shorty: feel the 'beat' of the EON motor running under your fingers, the high torque of the 7500 RPM motor sculpting your masterpieces with incredible strength and precision. The clipper fits perfectly in your hand, thanks to its ergonomic design. The secure grip, balanced weight and low vibration provide unparalleled control, allowing you to express your creativity without fatigue. It is the ideal tool for professionals looking for the perfect combination of function and style.

The bright and vivid colours of the supplied covers allow you to customise and make your Shorty unique, to stand out anytime and anywhere. Choose to be the best, choose to stand out, choose Shorty.
