TWIN PRO

Reduce the smoothing time with the power of the double plate system

Twin Pro is the new high-performing straightener with a cutting-edge technology. Twin Pro's unique design delivers a perfect styling thanks to the power of the double plate system.

Its double plate system not only halves the smoothing time. It guarantees sleek hair in one pass. Twin Pro is suitable for all hair types (especially, curly hair and afro hair). It works perfectly from the roots to the tip without damaging hair structure.

TWIN PRO

TWIN PRO

Reduce the smoothing time with the power of the double plate system

- + Double plates: double plate system halves the smoothing time. Sleek hair in one pass. Ideal for Afro hair.
- + 4 ceramic-tourmaline floating plates: even heat transfer for faster styling, less damage and silky-smooth hair.
- + Led display: led display showing temperature level.
- + 6 heat settings: temperature is adjustable from 130°C up to 230°C. Great for all hair types.
- + Safety sleep mode: 1-hour auto shut-off.
- + Professional cord: power cord with heat-resistant rubber sheath. 360° rotating cord strain relief.
- + Safety lock: lock the straightener and keeps it closed.
